

## Business Rules

When the Seclusion Programme is Activated for this Person, the MHS Seclusion form is to be Submitted to record the authorisation of the Seclusion event, and for EVERY 2 hours the Person is in Seclusion, authorisation and reasons are to be documented in the appropriate Seclusion form.

Additionally, a Progress Note is to be completed EVERY 15 mins while the Person is in Seclusion.

## Seclusion Process

### A. Activate the Seclusion programme

To record that a Person is in **Seclusion**, use the + in the **Active Worklist** to add them to the Seclusion Programme from the drop-down list of Programmes, then complete the Consent and **Submit**.

#### 1. Display **Active Worklist**, **My Caseload** OR **Person Dashboard** (Service view)

#### 2. Click + to Add the **Seclusion** Programme

#### 3. Complete **Consent** and **Submit**

#### 4. Open Seclusion programme

#### 5. **Activate** Seclusion

### B. Begin the Seclusion form

#### 6. From the Programme layer timeline, an orange **Seclusion** form is triggered, to fully record Seclusion. Complete the **Seclusion Initiation** page, click to the end of the form, and **Submit** (form turns **blue**).

### C. Complete a Seclusion form every 2 hours

After each 2 hours an **orange** form is triggered, to record authorisation and reasons for continued Seclusion, then after 8 hours of Seclusion, an orange **Seclusion over 8 hours** form is triggered, ready for completion. Once completed, forms turn **blue**.

If the forms are being completed **retrospectively**, the editable date and time fields are to record when the assessment was completed.

## D. Discharge person from Seclusion

- When the Person is no longer in Seclusion and the MHS Seclusion form is completed for both the starting AND ending of Seclusion, click the **Discharge** button from the **Seclusion Dashboard**.

This is the **ONLY** way to stop the Seclusion forms from being automatically generated.

## E. End Seclusion in the Seclusion form

- When **Seclusion is ended**, in the timeline, return to the **first Seclusion form** and use the pencil to **Edit**, and complete the **End Seclusion** page, then **Submit** again.

## Inpatient > Whiteboard

In Inpatient Whiteboard, in Person Details, an orange document symbol indicates an unfilled seclusion form.
