Official Information Act Request – OIA 13925 Myocarditis Pericarditis

On 10 November 2021, under section 12 of the Official Information Act, you requested the following information from Whanganui District Health Board (WDHB):

1-Myocarditis cases (overall)

The total number of **myocarditis** cases recorded by your DHB in **2016, 2017, 2018, 2019, 2020** and **2021**(YTD). Please break this year by year, by age, and by gender in the following way:

- All cases recorded in **men**, broken down in the following age brackets, for each individual year: (0-9, 10-19, 20-29, 30-39, 40-49, 50-59, 60-69, 70-79, 80-89, 90+)
- All cases recorded in **women**, broken down in the same age brackets, for each individual year.

2-Myocarditis cases (month by month)

The total number of **myocarditis** cases recorded by your DHB between **February and November 2021**. This is to match the vaccine roll-out. Please break this down month by month, by age and by gender in the same way as above, ie:

- All cases recorded in **men**, broken down in the following age brackets, for each individual month: (0-9, 10-19, 20-29, 30-39, 40-49, 50-59, 60-69, 70-79, 80-89, 90+)
- All cases recorded in **women**, broken down in the same age brackets, for each individual month.

3-Pericarditis cases (overall)

The total number of **pericarditis** cases recorded by your DHB in **2016, 2017, 2018, 2019, 2020** and **2021**(YTD). Please break this year by year, by age, and by gender in the same way as above, ie:

- All cases recorded in **men**, broken down in the following age brackets, for each individual year: (0-9, 10-19, 20-29, 30-39, 40-49, 50-59, 60-69, 70-79, 80-89, 90+)
- All cases recorded in **women**, broken down in the same age brackets, for each individual year.

4-Pericarditis cases (month by month)

The total number of **pericarditis** cases recorded by your DHB between **February and November 2021**. This is to match the vaccine roll-out. Please break this down month by month, by age and by gender in the same way as above, ie:

- All cases recorded in **men**, broken down in the following age brackets, for each individual month: (0-9, 10-19, 20-29, 30-39, 40-49, 50-59, 60-69, 70-79, 80-89, 90+)
- All cases recorded in **women**, broken down in the same age brackets, for each individual month.

5-Vaccine doses (month by month)

The total number of Covid-19 vaccinations given to the public by your DHB between **February and November 2021**. Please break this down month by month, by age, by gender and by dose number, ie:

Chief Executive | Phone 06 348 3140

- The total number of **first vaccine doses** given to **men**, broken down in the following age brackets, for each individual month: (0-9, 10-19, 20-29, 30-39, 40-49, 50-59, 60-69, 70-79, 80-89, 90+)
- The total number of **second vaccine doses** given to **men**, broken down in the same age brackets, for each individual month;
- The total number of **first vaccine doses** given to **women**, broken down in the same age brackets, for each individual month:
- The total number of **second vaccine doses** given to **women**, broken down in the same age brackets, for each individual month.

Whanganui District Health Boards response:

The Whanganui District Health Board decline this request under s14(b)(ii) of the OIA Act. The information, or some of the information, to which the request relates is believed by the person dealing with the request to be more closely connected with functions of another department.

The Ministry of Health holds this information and they have invited the requestor to engage with them on a rescoped request.

Should you have any further queries about the above information, please contact our OIA co-ordinator Anne Phoenix at anne.phoenix@wdhb.org.nz

Ngā mihi

Graham Dyer
Kaihautū Hauora– Acting Chief Executive
