

Dear Parent/Caregiver Year 8 Students

### Free Dental Care for Students

Teenagers leaving the Community Oral Health Service at Year 8 continue to receive FREE basic dental care from their chosen dental care provider until the age of 18 years.

To ensure this happens you need to:

- 1 Choose a dental care provider from the list below.
- 2 Complete the enclosed Transfer to Adolescent Oral Health Service letter
- 3 Return this to your current Dental Therapist/Oral Health Therapist before the end of the school year to ensure that your teenager is transferred
